

Main Sail Employer of Record

The Best of Both Worlds

FREEDOM OF SELF-EMPLOYMENT & BENEFITS OF CORPORATE EMPLOYMENT

Main Sail's Employer of Record (EOR) program allows you to enjoy the perks of an independent career while reaping the benefits of corporate employment. You maintain the freedom of finding your own clients, running your own business, and negotiating your contract and rate while we provide you with back office support, invoicing, group benefits, business insurance, a retirement plan and expense administration.

You become the owner of your own Business Center when you join Main Sail EOR. Your Business Center is your personal division within Main Sail designed to track and manage all of your business and administrative needs. You will have access to detailed financial reporting so you can always track your balance, expenses, client payments, revenue reports and payout reports.

WE'VE GOT YOU COVERED

When you join Main Sail EOR, you can enjoy the benefits of maintaining a single employer through multiple clients - or even your entire career. You will have access to top-notch perks and benefits that are not available to independent consultants, such as:

UNINTERRUPTED BENEFITS

We provide you with access to group insurance benefits, which means lower rates and less fluctuation.

When working as an independent, you may find yourself frequently adjusting insurance and retirement benefits. With Main Sail EOR, you can enjoy uninterrupted coverage as you move from client to client and even during the weeks between clients, as long as you continue paying the premiums.

SECURE LOANS AND MORTGAGES

Having an intermittent or frequently changing work history makes you less likely to be accepted for a mortgage or other loans. Being able to show a consistent single employer - no matter how many clients you serve - will greatly increase your odds of securing mortgages and loans.

TAX ADVANTAGES

Our pre-tax expense reimbursement program processes all of your business and out-of-pocket medical expenses in real time, saving you time and money. In addition, our benefits, 401k plan and even our fee are deducted pre-tax.

BUSINESS INSURANCE

With Main Sail EOR, you are automatically covered by our general liability, professional liability, and workers' compensation insurance.

HIGHER BILL RATE

In addition to the benefits and coverage, we help you keep more of your bill rate than you would going through a traditional staffing firm. We only collect a small percentage of your billing, and you don't pay anything when you are not working. You can even earn referral rewards for every friend or colleague you refer to the program.

BOTTOM LINE: Affordable & consistent benefits, more net cash, more saved for retirement, free business protection & insurance, more time and less hassle.
